

A line drawing of a desk with a slanted top. The desk has a central open space for legs. On the left side, there are three drawers stacked vertically. On the right side, there are also three drawers stacked vertically. The top surface of the desk is slanted downwards from the back to the front. There are several diagonal lines on the top surface, possibly representing a pattern or a reflection. The drawing is simple, using only black outlines on a white background.

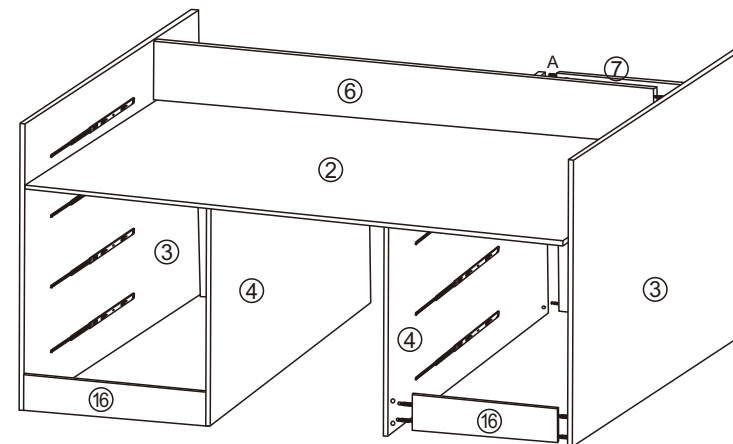

- 1, installation tools: ruler 1, used to distinguish between the plate (this tool requires customers to bring their own)
- 2, 1 people can not be successfully assembled, at least 2 people together to complete.
